\*One of our suggested electives, SISE 4560, fulfills Tulane's 2nd tier service-learning requirement through an intensive internship experience with a community partner. Click here for internship opportunities.

#### Pre-requisites, concurrent enrollment, and course substitutes:

- Students are required to take ECON 1010 before pursuing SISE 2020.
- Students may enroll in ECON 1010 and SISE 2010 concurrently.

*Note: All students must complete all requirements. There are no exemptions. Students who complete a business major or minor must take SISE 2020 and students who complete an architecture major or minor must take SISE 3010.*

#### Important Notes on SISE Courses

- SISE 2010 must be taken before registering for any upper-level courses.
- SISE 2010 includes a mandatory 20 hour service-learning component, regardless if students have completed their Tulane service-learning requirement. There are no exceptions to this requirement.
- SISE 2020, 3010 and 4020 can be taken in any order but we strongly recommend course completion in this order.
- The Final SISE approved electives should be taken at the same time as the one credit Senior Seminar.
- SISE courses do not fulfill any departmental electives.
