No Required Fees for Summer.	

Description of Fees:

Academic Support Services Fee: Full-time students \$1400; part-time \$117/credit hour.

The Academic Support Services Fee provides certain academic resources to all Tulane students. The fee enables students to have access to the University's computer services, data, voice, and internet hook-ups, including those services provided by all outside vendors. In addition, tutoring and counseling services, on-line library, inter loan services and other support services, such as the language and science laboratories, are covered by this fee.

Architecture Activity Fee (per semester): All students \$50.

This fee helps to fund career services and building resources for students in all Architecture programs.

Student Activity Fee: Full-time students \$120; part-time \$80.

The student body at Tulane assesses itself a Student Activity Fee to support its activities. The Student Activity fee entitles students to participate in or attend supported activities, readership of a weekly student newspaper and admission to many intercollegiate athletic contests, movies, and lectures.

Health Center Fee: Full-time students \$320. Optional for part-time students @ \$320 per semester.

The Student Health fee provides students with primary care, psychiatric, and contraceptive care at the Student Health Center. It also contributes to health education programs, drug/alcohol counseling and the Tulane Emergency Medical Service. **This fee is not an insurance premium.**

Reily Center Fee: Full-time \$180. Optional for part-time students @ \$180.

Fulltime students will be assessed for membership to the Reily Recreation Center. Part-time students have the option to join the Recreation Center.
