

REBECCA BRADLEY

Curriculum Vitae/ Resume

Rebecca Bradley studied at the Danish Institute of Study Abroad in Copenhagen and Tulane University in New Orleans, where she is currently in the process of graduating with a Masters of Architecture I. She has been the recipient of several scholarships, Dean's List recognition, and have been involved in many organizations including the Tau Sigma Delta (the Honors Architecture Society), Habitat for Humanity, American Institute of Architecture Students, and more. Most recently, Rebecca Bradley worked at WWCOT, in Shanghai, China, where she took part in designing several urban planning projects and competitions including a new skyscraper for Ningbo's new central business district.
