PROFESSIONAL EXPERIENCE

Kirksey Architecture

Houston, TX

Architectural Intern - EcoServices Team

Summer 2014

- Assisted team with Post-Occupancy Evaluation surveys and data collection in this large 150 person firm. Duties included on site measurements using CO2 monitoring and infrared cameras as well as conducting surveys with building occupants. Collated the data into comprehensive reports for 5 different building types; presented findings to 70 colleagues within firm.
- Learned Ecotect Daylight modelling software and completed simulations; assisted various members of the team with LEED documentation for a large range of projects from 5 story to 30 story office buildings.

Dillon Kyle Architecture

Houston, TX

Architectural Intern

Summer 2013

- Worked directly under the Principal in this 12 person firm, on the Schematic Design for the renovation of two historic homes and the master plan for this rural site. Deliverables were renderings and plans, which I co-presented with the Principal, to the client.
- Assisted with site analysis and documentation of residential and commercial buildings, the siding pattern of the firm's future office, and participated in site visits.

Buffalo Bayou Partnership

Houston, TX

Intern

January 2012-May 2012

- Researched various designs and business plans for food service that aligned with the non-profit park organization's thirty million dollar rehabilitation project.
- Planned a rollout schedule for a design competition; involved the University of Houston and a 3-D imaging company.

Value Retail

Bicester, UK and Kildare, Ireland

Retail Development Assistant

September 2010-December 2012

- Co-designed and managed projects for interior build-outs for brands such as Luisa Beccaria and Tod's for this international luxury outlet company.
- Prepared visual presentations using AutoCad and Photoshop of façade changes and interior re-designs for brands including Coach, Burberry, Tod's, Ted Baker, Tory Burch, Coast, and Pandora.
- Updated CAD database of drawings for approximately two hundred different stores.

Project Coordinator

April 2010-August 2010

- Facilitated communication between Retail Managers group-wide across the nine centers in Europe.

CERTIFICATIONS / HONORS

LEED Green Associate
