355 Spalding Lake Court
Atlanta, GA, 30350

EDUCATION

- MASTER OF ARCHITECTURE [August 2011 - May 2016] TULANE UNIVERSITY
Master Thesis: "TOWARD MORE COOPERATIVE LIVING:
Investigating Cohousing as an Armature for Increasing Density in Suburban America"
School of Architecture
New Orleans, Louisiana
- BACHELOR OF ARCHITECTURE [August 2011 - May 2016]
Minor in Preservation Studies

EXPERIENCE

- INTERN [May 2014 - May 2016] UNIVERSITY PLANNING OFFICE
Daily tasks included precedent research, field verification, graphic design, office clerical work, LEED documentation, and university space management. Major projects include drawing plans of Tulane Medical School, publish case studies of all University LEED projects, and complete a database of all occupied University space.
Tulane University
New Orleans, Louisiana
- TEAM MEMBER [August 2015 - December 2015] URBANBUILD
Daily tasks included interior detailing, bathroom layout, custom furniture design and marketing management. Major projects include design of a custom storage wall unit constructed with ready-made Ikea components, and designing a catalogue of all the project's design work.
Tulane School of Architecture
New Orleans, Louisiana
- ART TEACHING ASSISTANT [August 2010 - December 2010] THE ALFRED & ADELE DAVIS ACADEMY
Daily tasks included planning and conducting art activities for a 6th grade class, bonding with and mentoring students, and grading completed work.
Atlanta, Georgia

SERVICE

- TULANE UNIVERSITY [2012]
Project included the research and completion of a presentation about the historic Treme neighborhood in New Orleans, LA. The scope of the project included in depth research into the history, customs, traditions and desired improvements in public spaces for the Tulane City Center.
- CONSTRUCTORES PARA CRISTO [2010, 2011]
Project included construction of homes in an underprivileged neighborhood along the Mexican border, as well as construction and management of a public library. Projects were constructed along-side their recipients, and consultations were given to help the recipient make design decisions.
- LOUISIANA HUMANE SOCIETY [2015, 2016]
Provide foster homes for cats and dogs, as well as train and provide medical care for the animals until they are adopted.
