## CASSIDY ROSEN

1224 Cambronne Street  
New Orleans, LA 70118  
970.376.2271  
crosen6@tulane.edu

## EDUCATION

Tulane University; New Orleans, LA, May 2017  
Master's of Architecture  
GPA: 3.8

University of Colorado at Boulder; Boulder, CO, 2008-2013  
Bachelor's of Environmental Design  
Minor: Ethnic Studies  
Certificate: Multicultural Leadership  
Honors: 2008, 2009, Spring 2011, 2012, Spring 2013

Universidad Técnica Federico Santa María; Valparaíso, Chile, Spring 2012  
Completed an independent research project in Spanish on the impact of neoliberalism on five plazas in Valparaíso, Chile and the social transformation of public spaces. Lived with a Chilean family for six months while studying in Valparaíso.

Madách Imre Gimánzium; Budapest, Hungary, 2006-2007  
Rotary Youth International exchange student for a year in Budapest. Lived with three different Hungarian host families and attended high school in Hungarian.

## EXPERIENCE

Rendering Contract Work- Unabridged Architecture  
Bay St Louis, MS; Summer 2016-Present  
Provides 3D renderings for commercial and residential projects using Revit and Photoshop.

Graduate Teaching Assistant- Tulane University  
New Orleans, LA; Fall 2016-2017  
AHST-3010: History/Theory of Architecture & Urbanism I (Fall 2016)  
AHST-3020: History/ Theory of Architecture & Urbanism II (Spring 2017)

Public Interest Fellow - Albert and Tina Small's Center for Collaborative Design  
New Orleans, LA; Summer 2016  
Public interest design fellowship that involved community engagement and graphic design work. Worked with the Greater New Orleans Fair Housing Action Center. Designed a brochure and mailer used as graphic advocacy for renter's rights in New Orleans.

Graduate Research Fellow - Tulane University, New Orleans, LA; 2015-2016  
Assisted Professor Richard Campanella on defining and researching post-Katrina architecture. Work included documenting the new standard of residential construction post-Katrina and analysis of the building permitting process from initial schematic design to final construction within the City of New Orleans.

Architectural Intern - KH Webb Architects, Vail, CO; 2015  
Produced schematic design and construction document drawings and renderings using a combination of autoCAD and Revit. Created permit sets and construction documentation while working collaboratively with project architects.

Structural Drafter - KRM Consultants Structural Engineering & Design  
Avon, CO; 2013-2014  
Provided autoCAD and Revit drafting for a structural engineering firm that specializes in both residential and commercial projects. Worked directly with engineers to provide drafting assistance within all phases of the construction documentation process, including: structural floor plans, detailing, and communication between engineers, contractors, and architects.

#### Architectural Intern - Beth Levine Architect Inc., Vail, CO; 2011-2013

Architectural intern responsible for office organization and management. Provided autoCAD drafting and site analysis assistance for various residential projects.

#### Graphic Designer - Boulder Green Streets, Boulder, CO; 2013

Provided graphic design work that was used within community charrettes by both local planners and community members for addressing more bike-friendly planning development.

#### Design Consultant - Inclusive Research & Design LLC., Boulder, CO; 2011

Worked with Dr. Stephanie Krusemark on establishing a redesign scheme for the Student Academic Service Center (SASC), a multicultural academic learning community at the University of Colorado at Boulder.

#### Design Intern - Children, Youth & Environment Center Boulder, CO; 2010

Worked primarily with the youth sponsored group "Growing Up Boulder." A youth run group through the CYE Center that helps to incorporate youth opinions and perspectives into the planning process in Boulder.

## AWARDS+ PUBLICATIONS

#### John William Lawrence Research Travel Fellowship Recipient, August 2016

Fair Housing And Equal Opportunity: Social Housing And Community Engagement Case Study In Chile. Spent a month visiting and researching Elemental's incremental housing developments throughout Chile. Interviewed Diego Torres from Elemental and discussed Elemental's approach to social housing design through community engagement.

#### 14 to 1: Post-Katrina Architecture by the Numbers, July 2016

The intention of the paper is to reconcile general perception of post-Katrina architecture (i.e.: make it right housing) with reality — to paint an inclusive portrait of the post-Katrina cityscape. The article was featured on Places Journal, Archinnet, ResearchGate, Arch Daily and Common Edge.

#### Service Learning Recipient of the AmeriCorps Educational Scholarship, 2011

Studied Permaculture technology in Carbondale, Colorado.

#### Recto Verso, May 2016

Graduate work publication through the Tulane School of Architecture.

#### La Transformación de las Plazas, June 2012

The purpose of this paper was to investigate five of the ten principle plazas in Valparaíso, Chile in relationship with the socio-political transformations that impact public spaces.

#### Detroit 2013: Making a Way Out of No Way

Attended a conference entitled: *Detroit 2013: Making a Way Out of No Way: Towards the Next American Revolution* sponsored by the Boggs Center to Nurture Community Leadership. Presented research on the importance of place specific community engagement during the design process.

## SKILLS

#### Software Knowledge:

Revit 2017, autoCAD 2017, Adobe CC 2017 (Photoshop, Illustrator, InDesign), Rhino 3D Modeling Program, GIS, Google SketchUp, Layout, Excel

#### Languages:

English (Primary), Spanish (Advanced), Hungarian (Intermediate)
