PROFESSIONAL

Taylor Center for Social Innovation and Design Thinking

Design Thinking Fellow - New Orleans Fall 2016 - Spring 2017

Led the implementation of different design thinking workshops for non-designers.

Redesigned graphic material - fliers, etc- to help promote the programs hosted by Taylor.

Led the initiative to release educational material from the Taylor Center as Open Source.

Organized immersive weekend experiences with community partners to teach community engagement an empathetic understanding as problem solving tools in the design process.

Small Center for Collaborative Design

Public Interest Design Fellow - New Orleans Summer 2016

Collected quantitative and qualitative data on behavioral health resources in New Orleans.

Conducted interviews to determine faults in the process.

Computed data through GIS and scripted a solution to the spatial implications of an all charter school system as it pertained to access to health clinics.

Co-Authored a report that visualized and contextualized the findings as an advocacy tool.

Gillespie Consulting

Draftsman - New Orleans Summer 2016

Drafted the schematic design for a new international airport terminal using AutoCAD.

Ensured the deign followed and was compliant with strict aviation planning guidelines.

Image Postcard Inc.

Photographer and Salesman - Las Vegas 2010-2015

Sold photographs to patrons at different venues in a fast paced commission driven environment

Photographed, processed, and edited photos to induce sales.
